Eleventh Sunday in Ordinary Time

June 18, 2023

Supporting refugees through ShareLife

This coming Tuesday, June 20, we observe World Refugee Day, an international day to honour refugees around the world.

Through your generosity, you are able to help the Office of Refugees (ORAT) save lives of refugees from different backgrounds and walks of life. In a special way, their work is directed towards assisting Christian refugees who have been marginalized and persecuted for practicing their faith.

Thank you for giving them a new home here in Canada, for giving them hope, and for living the Gospel by giving to ShareLife.

Eleventh Sunday in Ordinary Time - June 18, 2023

"The harvest is plentiful, but the labourers are few; therefore ask the Lord of the harvest to send out labourers into his harvest." If you feel God is calling you to be a

POPE FRANCIS' MESSAGE ON MIGRANTS & REFUGEES

Pope Francis pointed out that the Holy Family's flight into Egypt was not a free decision. This is the case with many migrants. He added that persecutions, wars, atmospheric phenomena, and extreme poverty are some of the main causes of forced migrations today.

In order to make migration a truly free choice, "efforts must be made to ensure to everyone an equal share in the common good, respect for his or her fundamental rights, and access to an integral human development," the pope emphasized.

He encouraged countries and the international community to work together to ensure that all people "enjoy the right not to be forced to emigrate" and are able to live in peace within one's own country.

"This right has yet to be codified, but it is one of fundamental importance, and its protection must be seen as a shared responsibility on the part of all states with respect to a common good that transcends national borders," Pope Francis added.

Pope Francis reminded the faithful to not only see a migrant as a "brother or sister in difficulty but Christ himself, who knocks at our door" and to "show maximum respect for the dignity of each migrant" by building bridges and not walls.

"In whatever place we decide to build our future, in the country of our birth or elsewhere, the important thing is that there always be a community ready to welcome, protect, promote, and integrate everyone, without distinctions and without excluding anyone."
